

August 13, 2019

Dear Parent:

St. Jane de Chantal School cordially invites you to attend **Back to School Night on Thursday, August 29**. Come and meet your child(ren)'s teacher(s) and find out about this year's curriculum. Help your child(ren) get off on the right foot for 2019-2020 by attending Back to School Curriculum Night.

This evening is to begin at **6:30** in church with a General Presentation given by Nancy Andrasco, an introduction to the St. Camillus/St. Jane Pastor, Father Ted Dzieszko, and a short Script Presentation. A \$100 Tuition Raffle is being held during this session.

Following this, parents of students in P3/4-Grade 4 are to gather in their child(ren)'s classroom(s) where the goals and expectations for the coming year are to be discussed by the teachers. Two sessions are provided to allow those with more than one child in school an opportunity to meet each child's teacher. All Grades 5-8 parents are to meet in the Lunchroom during the first session for an Upper Grade Presentation. Those with younger children can then attend the second session in the classrooms.

Parents are reminded that it is much too early in the year to expect to have an individual conference regarding your child's progress. Power School will soon be up and running and will allow you to track your child's progress.

1st SESSION 7:10-7:35

2nd SESSION 7:45--8:05

Following or between the sessions in the classrooms, parents are welcome and encouraged to visit the Computer Room/Library and the Music Room. Cold refreshments and treats will also be available. The Script representative will also be available in the Lunchroom to assist families with the enrollment process. Parents are also able to check their Protecting God's Children status with Mrs. Kurtovich in the Lunchroom.

Since this evening is planned for parents to become acquainted with the teachers and the curriculum, children are not to be in attendance. Please take advantage of this opportunity to meet your child(ren)'s teacher(s) so that a partnership between home and school is formed early in the year.

The faculty and I look forward to meeting with you as we work together to provide the best possible education for your child(ren).

Sincerely,

Nancy Ann Andrasco, Principal
